

Whether it's the origin, catch date, or weight, we love sharing the specific journey of each item that enters our kitchen. As a country, we import nearly 90% of all seafood. At Sea Level NC, we procure 100% of our product domestically (with a little wiggle room on Canadian seafood). This means that no matter the dish you choose to enjoy, you can rest easy knowing it's responsibly-sourced and incredibly fresh. Plus, we're proud to shine a spotlight on the Carolina coasts and the industrious watermen and women who work the shorelines.
